

## School Development Plan Priorities 25-26

### IA1: Teaching and Learning

**Priority 1:** To develop a consistent whole-school approach to high- quality teaching and learning through enabling adults, engaging experiences and effective learning environments so that pupils make strong progress from their starting points

### IA1: Teaching and Learning

**Priority 2:** To accurately evaluate the impact of teaching and learning through collaborative approaches so that most practitioners plan and teach responsively, leading to improved outcomes for nearly all pupils.

### IA2: Well-being, care, support and guidance

**Priority 3:** To ensure consistent use of the hydrotherapy pool by school staff and external professionals so that most pupils experience high-quality provision, their mobility skills are promoted, and progress is recorded consistently.

### IA2: Well-being, care, support and guidance

**Priority 4:** To develop a coherent multi-agency approach where pupils' needs are at the forefront of all agency working, ensuring effective and timely referral processes so that the needs of individual pupils are met consistently.
